

WHY BUY?

origine induction

IT'S RESISTANT

It is stain proof, resistant to salt corrosion, tomato and dishwasher detergents, meaning it will stay good looking and offer the same lasting excellent performance.

IT'S STRONG

With guaranteed superior resistance to scratching, abrasions and wear.

IT'S SHINY

A super-gloss surface prevents foods from sticking and means that cookware has never been so easy to clean!

IT'S EXCLUSIVE

It's the only line on the market coated with EXP, the new ultra-smooth, extra-hard non-stick coating with mineral micro particles.

IT'S REVOLUTIONARY

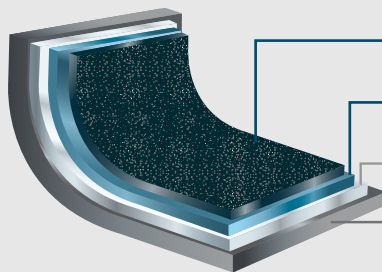

Cutting-edge EXP brings with it a whole new cooking experience, based on quality and wellness.

IT'S HEALTHY

PFOA free, with a low-impact production cycle and the ideal cookware for light cooking. Origin is sustainable cookware.

REVOLUTIONARY NON-STICK COATING

3. Second finishing layer for longer-lasting, durable results.

2. First finishing layer for better non-stick results

1. Base layer strengthened with a high mineral content.

Sandblasted aluminium for longer-lasting non-stick coating

FOR YOUR SAFETY.

The TVS Quality Management System is certified and every product is designed, tested and checked to make sure of absolute suitability for use with foods and the safety of its non-stick coatings.

FOR YOUR WELLBEING.

All TVS coatings are free from Nickel, heavy metals and PFOA!

FOR SUSTAINABILITY.

The high-gauge aluminium body guarantees excellent heat diffusion and great temperature stability. This means great energy savings for the environment and the economy.
